4) Another quiz: In the 60s and early 70s, it was common for US paddlers to compete in both slalom and wildwater. I was the last US paddler to compete in both slalom and wildwater in the same World Championships. Also, I competed or coached at every slalom Worlds from 1977 until 2009. 2010 was the first worlds missed in that time. Hint at bottom of newsletter.

All the best to all of you,

Corrections: 60's Quiz: The 1967 US Team slogan was "Top Ten in 67." Did anyone achieve this goal? If so, who? The correct answer is Barbara Wright, 9th in K-1W. A typo was at fault in the last issue.
